tippito  
biggest tipster network

## Who?

Tippito is a startup founded in 2020 as an unique idea to gather all Bet Gamblers in one place and create a huge social network for helping each other to win more.

As a platform servers everyday soccer games from most prestigious leagues in Europe and gives you the option to predict for each game.

## Why?

We believe that if we help each other win might have a chance to win on BET Gambling.

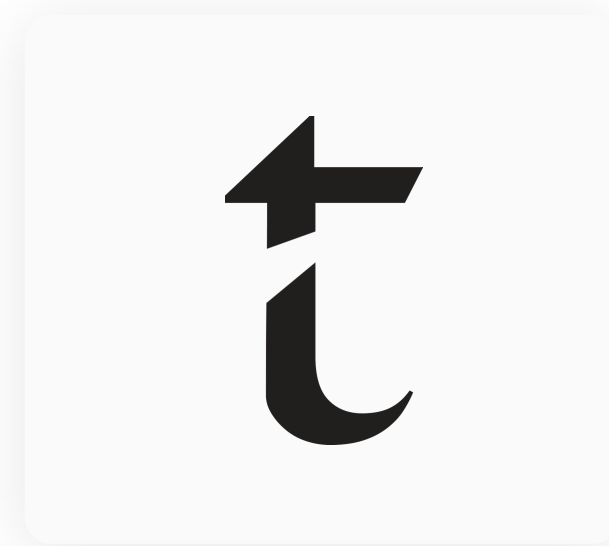

Tippito also pays the users if they reach the high level called Expert, but to reach the Expert level you have to be active in tippito and make more than 500 connections, like followers and following.
